

**ABA TWENTY FIRST**  
FINE RESTAURANT

**Quality without compromise.**

Research, Experience, Attention.

We favor a controlled, short food supply chain. Fish from our sea, organic vegetables from our lands. While products change seasonally, identity stays the same.

We indulge in the most authentic and healthy products: the excellence of the Italian Extra Virgina Olive Oil and pasta from Pastificio Monograno Felicetti, who has selected the finest grains since 1908.

We stand for Ethical and Sustainable: that is why we only care for certified and guaranteed meat from Italy.

This is our Philosophy. Savor it slowly.
